**COVID19 Vaccine Available at the Shotwell Clinic
for MNHC Patients and The Public**
First, Second, and Third (Booster) Dose Available

(San Francisco) – In an effort to continue the fight against COVID19 and its variants, and to ensure San Franciscans are up to date with vaccination -particularly the third dose or “booster,” Mission Neighborhood Health Center (MNHC) announces that it is currently vaccinating both patients and community members at the Shotwell Clinic, located in San Francisco’s Mission District, the heart of Latino and immigrant communities.

COVID19 VACCINE

Adults and Teenagers (12-year-old and older)

Monday through Friday - 8:30 A.M. to 12:00 P.M., and 1:30 P.M. to 4:30 P.M.
